# Words from the Principal

**On behalf of the faculty and staff, I would like to dedicate this yearbook to our Montevallo High School students. Both in the classroom and through extra-curricular activites, there are always lessons to learn and skills to develop. Each year, we encourage our students to develop the self-dicipline and perseverance needed to reach their goals.**

**The graduating class of 2008-2009 has demonstrated the dedication and sense of purpose needed to achieve excellence. I encourage them to reassure those who helped make their achievements possible: teachers, family, and friends. Enjoy the moment, but focus on the meaning of a sucessful life and broaden the definition beyond material things to include spiritual, intellectual, and emotional satisfaction. Emerson once said, "Hitch your wagon to a star," and I believe you will do just that.**

**Mrs. Judy Simmons, Montevallo High Principal**

# Give Me 5

Students are required to complete five hours of community service each year. This gives students the opportunity to learn and develop leadership skills while helping others. It also strengthens the relationship between students and the community.

Here's what some MHS students did for their communtiy service.

"I went to "Give Kids the World" last summer. While we were there we played and worked with kids with terminal illnesses."

- Mary Ann Lee

"I volunteered at Farrington Hall and the Aldrich Coal mining museum."

-Josh Hughes

"I participated in Farm Day to earn my community service"

-Amanda Gwin

"I worked at Stephens Park."

# Express yourself

The main talk around the halls of Montevallo High School this past year was the presidential election. The election involved many good candidates, but in the end Barack Obama won, the first African American President. Many students had different opinions about the election.

"I thought it was a very heated election."  
-Keith Lovelady

"I believe it was one of the most historical elections ever."  
- Jennifer Cheaves

"I thought the election was diverse and created many new emotions in voters."  
-Jordan Parker

"I think that it was really boring and most people took everything way too far."  
-Tyler Wilson

"I was very ecstatic because this was the nation's first African American President."  
-Brantley Hale

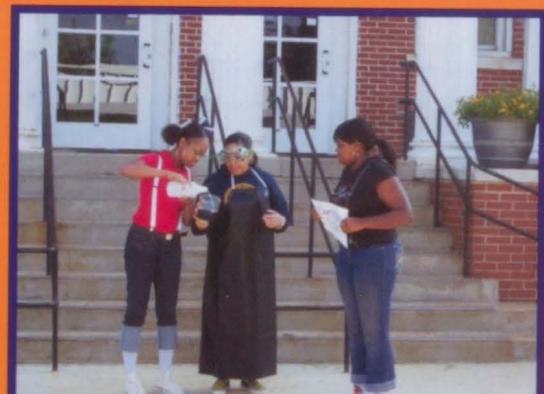

"I think the election was very boring because I figured Obama would win."  
-Marq Nelson

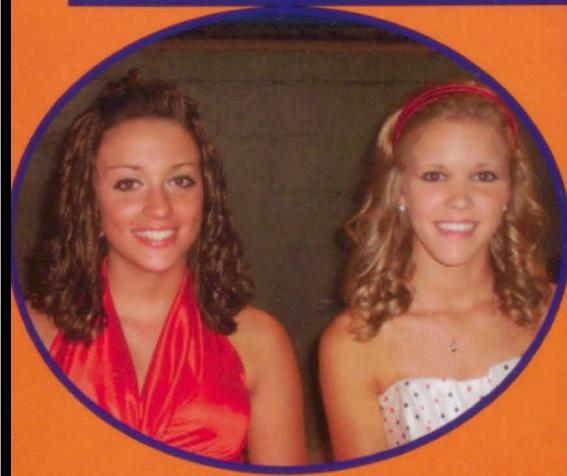

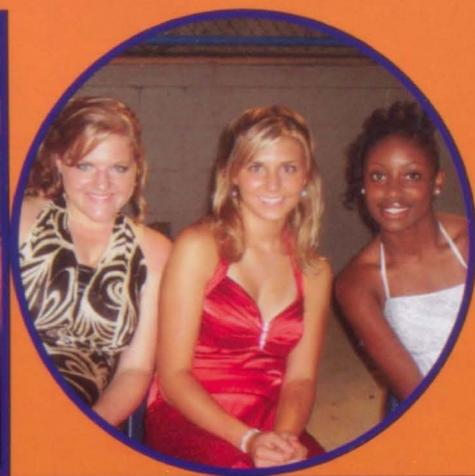

# HOMECOMING 2008

This year's homecoming was a blast!!! The annual parade took place through Main Street of Montevallo. The cheerleaders really got the crowd pumped up and excited at the pep rally that was held at the stadium. There were lots of games planned for the students as well as the teachers to enjoy and take part in this special event. The homecoming activities through the week included: twin day, cowboy-indian day, nerd day, and SPIRIT DAY. Later in the week, the girls participated in the annual powderpuff game. In the end, sophomores won the championship for powerpuff game and the juniors won overall for the HOMECOMING WEEK! The homecoming court was introduced during halftime of the football game. The 2008 homecoming queen was Miss Jordan Parker! At the end of the night, the bulldogs took home the victory over the Beulah Bobcats!

# TRACK

Coach Richard Colley worked hard with these young boys and girls this year in track. They've attended 3 invitational meets in Vincent, Pelham, and Shelby County. The County Champ was held in Oak Mountain. The sectionals were held Beureguard, Alabama. If you finish in the top four, you qualify for state meet that will be held in Troy, Alabama.

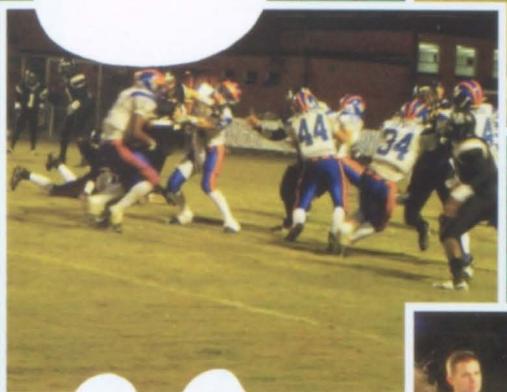

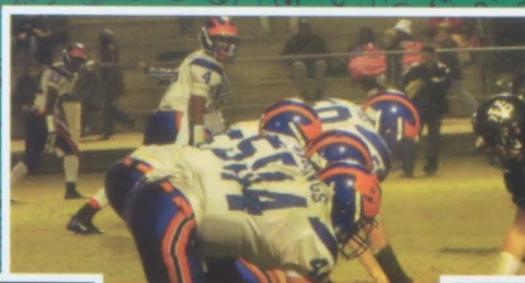

# VARSITY

Last year, the team started out with some new players and had a lot to work on. With Head coach, Jim King, wanting a great turn out for the players, he pushed them real hard to get the best out of them. Practicing during the summer, everyday after school, and even during school hours, our Varsity Football Players were determined to have a outstanding season. They started out with Spring Training and then a Jamboree Game against Fultondale High School at Fultondale and pulled out a "Shut-out Victory." The team started strong with a great season, but got a little rocky due to some hurtful injuries. Overall, they ended up with a 500 season . They played real hard and became close as a team. Senior Bo Bolton said, "We had a lot of potential and who knows what would have happened with out all of our injuries. My last year, as a DAWG, was definitely a memorable one!! I really enjoyed playing with the guys this year and I am going to miss them all." The Dawgs had a good season and good job to them.

The Montevallo Varsity Cheerleaders had an outstanding year. This year's squad was led by Coach Sarah Park. After tryouts, the girls worked diligently to prepare for UCA Cheer camp. There, the girls participated in the home pom competition, along with camp champs. Two girls of the squad tried out for UCA All Stars and they were Sydney Wright and Jessica Goolsby. They left coming home with all blue superior ribbons and Superior trophy. They worked hard throughout the year as they cheered for football and basketball. At the end of the year, they were only two seniors leaving. They were sad to leave, but excited to know that the Varsity Cheerleading squad upheld the great reputation that they have always had.

Fellowship of Christian Athletes (FCA) is a club where all of the athletes of MHS come together and take time to show their respect to the Lord. They've had guest speakers and hold rallies for the public every semester.

# First Priority

First Priority is a group of Christian students reaching out to their fellow peers. The purpose of First Priority is to bring others to Jesus Christ and uplift His Holy name. First Priority is usually held on every Thursday mornings at 7:15 in Mr. Blanton's classroom. Many of the students that attend, volunteer to present devotionals to the group. The devotionals are life experiences centered around the BIBLE. First Priority encourages every student as well as teachers to come and take part and worship!

Student Council had a great year. They started off the year with a blood drive by The LifeSouth group. Many students participated in this day and that is what made it such a tremendous event. Next, the Student Council sponsored a "Winter Dance." The dance took place on February 14, 2009 in the cafeteria. DJ Fuzzy was the special guest and did a great job. The Student council conducted meetings and lots of business. To finish the year they held one more blood drive with the LifeSouth group as well. It turned out great, just like the first one. Student Council had a great year and was very successful in their efforts of creating fun for the school!!!
